CONTROLS

[X] Three-way match required [X] Duplicate-invoice check [X] Tax ID validation [ ] Manual override

Fraud prevention: bank-detail changes are never communicated only through email. Confirm changes using an approved callback number.

COMMERCIAL TERMS

1. Payment is due within 30 calendar days of the invoice date unless the milestone schedule states otherwise.

2. Shortage, damage, or specification variance must be reported within five business days of delivery.

3. Hardware returns require an RMA number. Opened consumables and custom-configured products are non-returnable.

4. Standard warranty is 12 months; the extended-warranty line adds 24 months for covered equipment.

5. Late undisputed balances may attract interest at 1.0% per month, subject to applicable law and contract terms.

6. Title transfers on full payment. Risk transfers upon signed delivery at the ship-to location.

7. Disputes are governed by the master services agreement and courts located in Seattle, Washington.

8. This invoice contains synthetic names, identifiers, contacts, and banking data created only for training.
